

STORAGE FOR ALL YOUR BOTTLE & BULK NEEDS

- Increases productivity and efficiency – less walking and searching for medications
- Unique divider system reduces open bottles
- High-density storage creates space for additional work areas and professional services
- Bright, organized, and professional appearance
- Can move easily to accommodate pharmacy workflow changes
- Combines storage for fast movers and bulk items
- Speed shelves pull down for easy access
- Speed shelves release down to facilitate first-in, first-out stocking

CONFIGURATIONS

Drawers can be divided to store approximately 20 SKUs/50 items per drawer

Speed shelf dividers move easily to adjust to your needs

Available in 1- or 2-Bay configurations
